

East Coast CORE Spring 2020 Newsletter

Combined CORE 2020 was a great success!

The first Combined CORE organized by [East Coast CORE](#) and [CORE](#) Boards was hosted by UT Southwestern on March 4th to 6th at The Gaylord Texan in Grapevine, Texas.

Thank you to everyone who participated in the conference. As a users' group, we rely on our participants to present on their systems and processes as well as share their practices with colleagues.

THANK YOU TO OUR GENEROUS SPONSORS

We appreciate the support and efforts of our Meeting Sponsors and their partnership to ensure the Combined CORE Meeting was successful.
